PennDOT Completes Work on Northampton County Bridge Painting Economic Recovery Project

Allentown – PennDOT District 5 announced today that work on a Bridge Painting Project in Northampton County has been completed. The project was financed with federal funds from the American Recovery and Reinvestment Act (ARRA).

The project included painting six bridges in Northampton County.

Vimas Painting Company, Inc. of Campbell, OH was the general contractor on the \$1,635,000 project.

Within the six-county District 5 region, PennDOT will invest \$141 million of federal economic recovery funds on transportation projects, which include road and bridge improvements and Intelligent Transportation System installations.

To learn more about how the federal economic stimulus will benefit Pennsylvania, visit www.recovery.pa.gov.

PennDOT also reminds motorists they can log on to 511pa.com or call 511 from any phone to check traffic conditions on major roadways before traveling.
